

# First Step Farm

April 2008

Back to longer days with lots and lots of riding!!!! Our big girls are on a mission, first one who can do 5 laps around the arena posting with no stirrups, gets a free trip to the beach....wonder who it will be??? On the smaller side, we had a vaulting day with Olivia and the girls were GREAT. I heard that they had a wonderful time and are busy practicing their moves!

Let's make a big effort to keep the bathroom clean and keep driving SLOW around the ranch; the roses will appreciate it and so will MARK!

Congratulations Cody was super lucky and is now the proud owner of a big beautiful dun gelding named "HANDY!" Watch out for them in the speed events!!! Jen K has been doing really well with BABS and has now cantered and ridden around the ranch bareback!

Summer Camp We have filled two sessions and are close to filling the rest so get your sign-ups in ASAP. Don't forget to fill out the online forms and turn them into Michelle. The last week of camp, Aug 18-22, will include a trip on the weekend to Santa Ynez for the horse show. This week is for intermediates only.
