Back to riding lessons! Let's work extra hard to make up for all the lost riding time. Do not forget your ponies this **VALENTINES DAY** and pick up some extra **red** apples! Make sure that when you feed FSF ponies that their treats go into the bucket, we don't want nippy ponies! Our indoor round pen is almost finished being remodeled. Please **DO NOT** leave your horse or pony inside and unattended.

*Congratulations* Happy Birthday to Cody (1<sup>st</sup>) and Sara (23<sup>rd</sup>). FSF welcomes back to "lucky" the pony, she will be joining the lesson ponies in the pasture and she is a camp favorite. Thanks to Danielle for sharing her special pony with us!

*Horsemanship* Everyone in Sunday lesson has been working very hard on their horsemanship skills. Watch out for something special on the 24<sup>th</sup>.

*4H* Presentations on the 9<sup>th</sup>. Level 1 written testing on the 19<sup>th</sup> at 6pm. Good Luck girls!

*Playday on the 24<sup>th</sup>* We will be taking horses and ponies to Atascadero to compete all day. Please bring smiles and a good attitude. If you are not competing we love the support of all FSF family.

*Summer Camp* Sign up today if you want a spot! We can be flexible if these dates don't work but let us know **ASAP** so we can fit everyone in!
