Barn News

We missed a few newsletters but we are back in action. So much has been going on; summer camp, horse shows, birthday parties, and lots of new ponies! We now Have First Step Farm T-shirts (\$15) and Zip Sweatshirts (\$30) If you are interested in supporting the team see Michelle for sizes!

Congratulations Danica has had great success with CONCHO at the past few horse shows, especially winning the huge flat equitation class at LOVE farm! All the hard work is paying off! Also BRANDY made her debut with Danica at Hidden Springs, winning her very first Hunter Poles class. Way to go girls.

Morgan and PUMPKIN PIE have a some solid rides including a blue in their first ever Hunter Under Saddle, and they are working their way up to a jumping class!

Sara and Sierra are dominating in the Leadline division; each of them has been champion! We are now stocked with horse cookies thanks to the girls.

Summer Camps Our camps have been a huge success, lots of fun memories and cool crafts. We already have a waiting list for next year! Check out the CAMPS page for really cute pics. A special thanks to Olivia and NOAH for all of the awesome Vaulting lessons.

LAZY Q NEWS The Roses are so beautiful and in full bloom, everyone should take a minute to SLOW DOWN and check them out. Remember we have kids and dogs running around and no one likes to be left in the dust!

We plan on hosting a **movie night** at the ranch in August, any suggestions on movies! If anyone wants to help with the projector.....let me know. We will also have a sign up board for Pot luck meals, please participate and let's all enjoy an evening of fun at the ranch. (Details and dates to follow!)

Thanks for being such a great group!

Cheers
